PROFILE

UX designer with a background in economics, dance/music, and education. Experienced in analyzing data, applying feedback, creating experiences, and leading teams. I believe validating design decisions with research and/or proven patterns is paramount.

Education

CareerFoundry

UX Design Certificate, 3/2021

- 400+ hours of project based UX Design training, involving: design thinking, user research, personas & journey maps, information architecture, wireframes & prototypes, usability testing & recruitment, and UI design.

EXPERIENCE

Freelance

1/2018 - Present

Visual & Graphic Designer

Portland, OR

- Created print, web, and video assets for various non-profits, bands, and theaters
- Some clients: Keys, Beats, Bars; Ripe & Ready; NAAME; Aiya Productions

Rejoice! Diaspora Dance Theater

6/2015 - Present

Visual & Experience Designer

Portland, OR

- Designed the website user flow and visual for two short-run film premieres, enabling attendees to easily find and access the temporary film page when starting on the homepage. The premiere sold out.

Freelance

2016 - 2019

Web Designer

Portland, OR

- POPgoji - Designed and created a CMS website to centralize the band's content and provide promoters/press with all the content they need. Result: decreased back and forth emails between promoters and band
- Other clients include: Cypher Culture Conference; Ripe & Ready

Oregon Gymnastics Academy

1/2010-9/2021

Marketing & Development Manager

Portland, OR

- Managed the graphic & web designer
- Developed marketing strategies, timelines, and press relationships
- Created development strategies, including: grant writing & events
